## OUR VISION

To be the leading provider of quality building solutions and engineering services in the MENA region and across the globe

## OUR MISSION

To establish and maintain a long term relationship with all our stakeholders and business clients by using high quality construction products and by providing the highest quality services tailored to each an every building needs.

## SCOPE OF WORKS

- UPVC Doors & Windows
- Aluminum Doors & Windows
- Kitchen Cabinets
- Glass Enclosure& Office partitions
- Ceiling Works ( Metal& Gypsum)
- Decorating & Painting Works
- Tiles & Marble Works
- Steel Works
- Parking Shades

## Aluminum Doors & Window

Provide designers slim, clean lines to work with and can help create an elegant living space. The strength and durability of aluminum means that frames can be narrow, allowing a greater surface area of glass which is why aluminum doors and windows are often favored by those who want to maximize on natural light by investing in a premium product.

## UPVC Doors & Window

One of the most preferred window farming material across the world. The material comes in a range of color, is low maintenance and offers benefits which no material so far has matched. This has helped UPVC garner more than 50% market share in Countries where it is also known as vinyl or vinyl siding.

## Kitchen Cabinet

Aluminium is a stable metal. It is noncorrosive, non-flammable and odorless. Kitchen cabinet made of aluminium is definitely durable, safe, hygienic, termite-free, waterproof and anti-rust. The demand of aluminium kitchen cabinets are ever growing, making these cabinets the number one choice when it comes to kitchen cabinetry

## Ceiling (Metal & Gypsum)

The main function is to use aluminium and SS alloy and sandwich glass as the partition to divide office space and Toilet Area according to demand, make more reasonable use of space, to satisfy office use

## Car Parking Shades

Shades are required for car parking to protect the cars from not only the elements like sun, wind and water etc., but also from bird droppings, dust, dirt etc. Tensile car park shades provides all these functionalities whilst not being eyesore i.e they are aesthetically pleasing SIOEN's PVC coated fabrics for car parking shades gives good aesthetic look to the structure, have a long life, easy to clean and are treated to be resistant to fungus, mildew, bacteria etc.

## Tile & Marble (Supply & Installation)

We offer an extensive tiles and marble works on different surfaces such as floors, walls, ceilings, countertops, patios and roof decks. A hassle-free service tailored on the demands and suited on the budget.

## Painting work & Decoration

If you are looking for an easy and smooth painting experience, you will love us. We offer expert colour mixing and painting service both in residential and commercial settings.

## Glass partition (Shower Enclosures and Office Partitions)

The main function is to use aluminium and SS alloy sandwich glass as the partition to divide office space and Toilet Area according to demand, make more reasonable use of space, to satisfy office use.

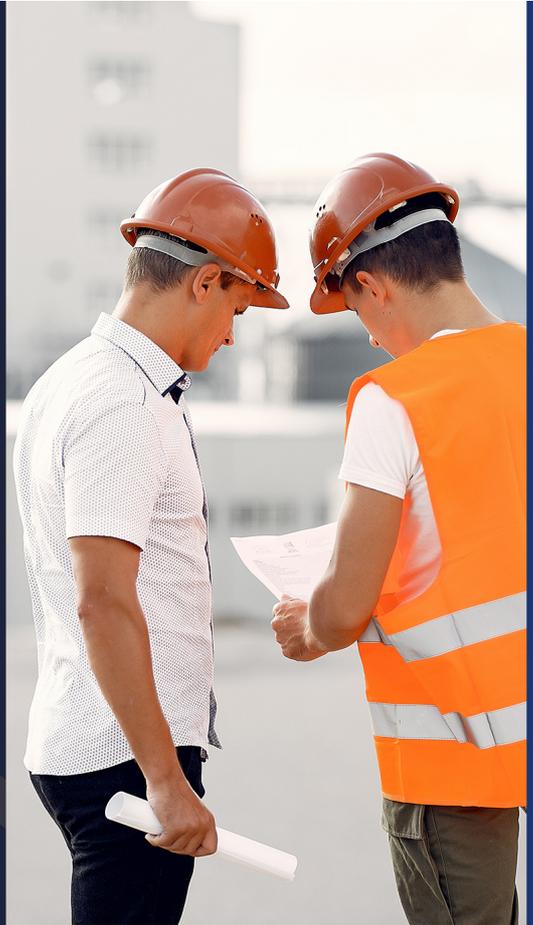

## Steel works

We provide the best quality fabrication, fitting, welding, and erection of steel members or components to form an integral part of any structural system of a building. We commit to providing excellence and value in the steel structure system.

## What our clients say: Service: Residential painting

Just quick note to say thank you for completing the job at my unit so promptly and to commend your workers for their courtesy and quality of work. Your painters in particular were courteous and patient with us, and they left the property tidy and clean.
